

GIVING OPPORTUNITIES FOR WHITE CROSS

For the most current White Cross projects and progress on how much has been raised visit:
<https://www.internationalministries.org/white-cross/>

Goal	Description
\$336,000	White Cross General Fund – used wherever most needed
\$286,000	White Cross Focus Area–Health funds are used to purchase and provide medical supplies and equipment for all of our medical centers and Christian centers around the world.
\$40,000	White Cross Focus Area–Education funds are used to purchase and provide school supplies and educational materials to support a variety of educational programs around the world.
\$10,000	White Cross Focus Area–Human Trafficking funds are used to provide materials used to reach out to women and children being exploited in forced labor or sex slavery.
\$15,000	Bolivia – IM missionaries JD and Rhonda Reed have a vibrant ministry with Bolivian Baptist Churches in the Cochabamba communities through the Bolivian Baptist Union. White Cross funds provide the House of Hope ambulatory clinics with the medical and dental supplies that are needed
\$2,000	Chile – IM missionaries Dwight and Barbara Bolick are helping to develop community health programs for rural Mapuche churches and communities in southern Chile. These projects address preventable conditions such as hypertension, high cholesterol and diabetes through workshops and educational
\$9,000	China – Baoshan City is located in the southwest part of the Yunnan Province, near the border of China and Myanmar. Drug use is rampant in this area, and as a result of sharing needles many drug users are infected with HIV. This problem causes broken families, crime and social instability. White Cross provides funds for education, with a focus on being drug-free.
\$82,000	Democratic Republic of the Congo – IM missionary Katherine Niles and our partners in the Baptist Community of Congo (C.B.CO) use White Cross funds throughout their network of hospitals and health centers to support the training of nurses and doctors. They also distribute medications and hospital supplies such as uniforms, towels, linens, surgical gowns and scrubs, gauze, surgical gloves, adhesive tape, plastic sheeting and other items that are purchased in the U.S. and sent to the Congo.
\$35,000	Democratic Republic of the Congo – Shipping
\$10,000	Dominican Republic – Kits \$10.00 per kit provides Hygiene Kits, School
\$9,000	Dominican Republic – IM missionary Rev. Madeline Flóres-López works with three associations: the Asociacion Bautista Vida Eterna, Inc., the Asociacion Bautista Misionera Haitiana, Inc. and the Aprendamos ministries. White Cross funds help purchase school supplies, medications, food, baby items and health kits for struggling families, especially women and children.
\$6,000	El Salvador – The Baptist women in El Salvador support social ministries through White Cross in the areas of family life, health care and provision for the needs of senior citizens. The Senior Home and other projects are important to those in El Salvador. The women help to maintain the Baptist schools in Santa Ana and San Salvador and to promote good health in family and community projects.
\$11,000	Haiti – IM missionaries Nzunga Mabudiga and Kihomi Ngwemi - Sewing & Education, Eye Care & Student Infirmary

\$75,000	India – The Council of Baptist Churches in Northeast India and Interchurch Service Association provide much-needed medical care to rural villages through hospitals, clinics and mobile units. In addition to emergency care and long-term treatment, they offer health training and awareness programs
\$5,000	Lebanon – The Arab Baptist Theological Seminary is in partnership with IM helping seminary students with medical and dental needs. The seminary also provides Syrian refugee children
\$10,000	Liberia – Liberia Baptist Missionary and Educational Convention, in partnership with IM, supports the Ricks Institute, an educational institution for children from kindergarten to grade 12. White Cross provides a balanced and integrated education of head, heart and hand and sponsors a nutritional
\$10,000	Myanmar – Myanmar Baptist Convention (Burma) has set up clinics and “mini hospitals” in different parts of the country and along the border of China to offer medical assistance through White Cross funds. Christian doctors and nurses volunteer their time to serve in these facilities.
\$6,000	Nepal – IM missionary Carole Sydnor works with the Chaurjahari Hospital, which serves over 700,000 people from three districts in the Midwestern Region.
\$90,000	Nicaragua – IM missionaries Drs. David and Laura Parajón serve through AMOS Health and Hope, which seeks to improve the health of poor and marginalized people in rural communities. AMOS provides health workers (promoters) to treat and assist in delivery of healthy babies and medicine for preventable disease. Your gifts reduce the death rate of children in poverty by providing health care in the most rural and distant communities and assist new moms with service support and medicines.
\$35,000	Nicaragua – Shipping for baby kits and medicines
\$3,000	Palestine – Christian Mission to Gaza supports the relief work of Dr. Hanna Massad, the pastor of this area’s only evangelical church. Christian Mission to Gaza provides school uniforms for children in order to go to school and food and medicine to Palestinian refugees suffering from malnutrition and poverty
\$7,500	Panama – IM missionary Ingrid Roldán-Román uses White Cross funds to provide medical treatment, milk, blankets, diapers, school supplies, uniforms and shoes for children in the School Tutoring Program who live in the banana plantation community. Many of their families are very poor but desire
\$20,000	Philippines – Kits for four Christian Centers \$10.00 per Kit will provide 2000 Kits; Hygiene, Baby Layettes, school Kits, etc.
\$15,000	Philippines – The Philippine Baptist Convention serves two hospitals that provide general primary care as well as delivering health education through a mobile team. White Cross gifts also
\$24,000	South Africa – IM missionaries Drs. Rick and Anita Gutierrez bring health care to remote areas. They use White Cross Funds to provide health kits—which contain portable HIV tests, sugar strips, glucometers, lancets, blood pressure cuffs and stethoscopes—to the Health Builders that they train.
\$7,500	Thailand – Hospital services often mean the difference between life and death for those who are sick and injured. White Cross in Thailand provides medical treatment supplies, as well as nutrition
\$15,000	Uganda – Village2Village

International Ministries, also known as the American Baptist Foreign Mission Society is a designated 501(c)(3) organization by the U.S. Internal Revenue Service. Federal ID# 13-5563392.
