

*How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can they preach unless they are sent?*

## WE COULD NOT SERVE WITHOUT YOU!

**Giving for leadership mission support** is one of the ways to further global mission.

We seek to be of service to God, God's people and the world.

**WHAT IS “LEADERSHIP MISSION SUPPORT”?**

As part of our general fund, Leadership Mission Support enables our home office staff and leadership team members to complete the operational, logistical, and financial functions at home that foundationally support the work of our global servants as they serve Jesus Christ in more than seventy countries around the world.

**HOW DOES “LEADERSHIP MISSION SUPPORT” MAKE A DIFFERENCE?**

This fund helps our home office personnel perform recurring and necessary work that includes:

- **Recruiting and guiding future potential global servants**, providing conferences and coaching throughout the discernment process. We also offer support for those who wish to begin to serve through a short-term mission internship or trip.

- **Arranging continued training and practical support** for those currently in mission work. This includes an annual conference for missionaries as a time of retreat, spiritual care, rest, and reconnection.
- **Collecting and sharing stories** about our global servants’ ministries. We develop World Mission Offering resources for more than 5,000 churches, produce our annual report and newsletters, maintain our website, create missionary prayer cards, and prepare regular video high lights so that you remain connected with what God is doing through our global servants.
- **Providing emergency help** if needed by global servants, which includes evacuations and counseling for those in challenging international settings.
- **Administrating key financial tasks on behalf of our donors, staff, and global servants.** For our donors, we provide receipts and facilitate secure credit card transactions and address changes. We oversee the care and benefits for all our personnel and the global servant ministry accounts.

**Would you prayerfully consider making a gift and join us in what God is doing through IM? Your gift will impact how we serve both in the field and at home. We may not all be called to go, but we all have a role in sending.**

You can give to our Leadership Mission Support fund online when you visit <https://portal.internationalministries.org/give> and click on “Leadership Mission Support.” If you know someone who works in our home office, you can let them know of your support by clicking their name on the drop-down menu when you give online, or by noting their name on your gift through the reply card included with this brochure.

We can’t do this work without you. Thank you.
