## “ MINISTRY STORY

The English Bible study started in Debrecen as a way for people to grow closer to Jesus and connect with each other. It has grown into a community that enthusiastically shares the good news of Jesus. Bible study, small group discussion, food, and fun are all key elements. Most recently, this ministry has grown from a Bible study into a new church.

It is hard to believe that we almost gave up on it. After three months, only a few people were attending, and one of them was moving away. We began to wonder if we had it all wrong. We were discouraged. Yet, that's when the Lord sent Danny and Timi.

Danny and Timi came with a friend to English Bible study. At the end of the evening, they said, "This ministry is exactly what we have been praying for. We would like to commit to it, and offer to help. Also, can we meet more often?" They became faithful leaders. When they got married the next year, they invited us to stand with them as their attendants. They joined us as we prayed for a new church.

Soon, Danny and Timi expressed their desire to be baptized. You can imagine how wonderful it was to celebrate their baptism as the International Baptist Church of Debrecen. It was a joyous occasion with at least fifteen nations represented. The time of singing, praying, preaching, and baptizing was the perfect way for the new church to begin.
