### MINISTRY STORY

April 3, 2017, was one of the happiest moments in my life, when I was endorsed to serve with International Ministries. Another was in October 2018, when I completed the MTS program.

A few months after I finished MTS, I started my full-speed deputation. I've been in different places; visiting churches, speaking to groups and individuals, sharing my calling and the mission in Mexico. Throughout my deputation, God has been teaching me his ways and strengthening my faith. I know that God is still shaping and molding me into the person he wants me to be. God is preparing me for the mission field!

During this deputation, God has shown me his favor through the people I met along the way. I have been so blessed by those who helped me connect with people and churches. I am also thankful to those who opened their homes to me, gave me a place to sleep, fed me, and took care of me when I got sick. I praise God for those who are journeying with me. God is good!

I am still working my way to get to the

mission field as a full-time global servant. But at the same time, I am so humbled and blessed. Whenever we start a new cohort, I get the opportunity to help MTS Program participants get started with the technical part of their online studies. I can't wait to get to the mission field!

### PRAYER REQUESTS

Please pray that God will allow me to walk in his favor as I share the ministry and my calling.

Please pray for all the seminary students, that their faith would become stronger.

Please pray for the MTS program professors to have not only academic wisdom and knowledge, but also hearts filled with patience, grace and love for their students.

### SCRIPTURE

*"So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand."*
