Becky Shenton serves as IM Special Assistant for Nepal Relations

BEN CHAN

I am very happy to share with you that Rev. Dr. Becky Shenton has become my Special Assistant for Nepal Relations. Becky came to know International Ministries (IM) ministry in Nepal through Development Worker Carole Sydnor. Her passion grew as Carole invited Becky to visit Nepal with her. Becky has a Ph.D. in Ethics. She serves as a visiting and adjunct professor in a number of schools in the US and in Asia. With great joy, we welcome Becky to the IM family!
