Join us for these special programs sponsored by International Ministries:

Bible Study (in English)

Saturday at 9:00 – 10:15 AM

This morning session will be led by the Rev. Kyle Witmer, an IM global servant in Thailand.

Academy Track – “Called to Send, Called to Serve”

Saturday, 9:00 AM – 5:00 PM.

“Called to Send, Called to Serve” is an all day course. This mini version of our popular “Hear the Call” weekend retreat, is designed for those exploring a personal call to global mission and for church leaders seeking to come alongside others in considering cross-cultural service. Participants must attend all four sessions. To participate, select this option when you register for the Biennial.

Evening Program

Saturday at 7:00 PM

Following the theme “Across the Seas,” this program will feature a variety of our global servants including Drs. David and Laura Parajon who serve in Nicaragua. Don’t miss out on a lively, interactive song lead by the missionary kids! The keynote message will be brought by Rev. Elijah Brown, general secretary of the Baptist World Alliance.

IM Luncheon

Sunday at 12:00 PM

Our highlight of our delicious lunch menu is Jamaican Jerk Pork Loin with a mango glaze on Spanish rice. The program will feature updates from Becky and Larry Stanton, global servants in Hungary, and Annie Dieselberg, global servant in Thailand. Purchase your luncheon ticket when you register.
