Cuba and the Dominican Republic – Youth Camps

SUPPORT RAISED

CUBA, DOMINICAN REPUBLIC

GOAL

This project seeks to raise \$175,140 to enable the camps in Cuba to increase their capacity so that they can host up to 1,000 children and youths each year and be open year-round.

SUMMARY

This project will increase the capacity of camps in the Dominican Republic and Cuba to host children year-round.

DESCRIPTION

Youth camps in the Dominican Republic and Cuba are key ministries for our Baptist partners. They are places where children can have fun while they learn about God's love for them. The four camps—two in the Dominican Republic and two in Cuba—can currently host up to 800 children, but leaders would like to be able to accommodate 1,000 children and youths each year.

This project will increase the size of dorms, bathrooms, kitchens and meeting rooms, making it possible for camps to be held year-round. It will also provide scholarships; program materials to help with the children's physical, emotional and spiritual growth; and stipends for the staff.

This project will be managed in Cuba by the Eastern Cuba Baptist Convention and the Fraternity of Baptist Churches of Cuba, and in the Dominican Republic by the Centro de Retiros Pastos Verdes and the Iglesia Bautista Misionera Haitiana, Inc. (Maranatha).

It is anticipated that this project will introduce many more children to God's love and make the camps more of an outreach to the children's families and the surrounding communities.
