Europe, the Middle East and Asia – Church Planting

SUPPORT RAISED

EUROPE, THE MIDDLE EAST AND LIBERIA

GOAL

International Ministries seeks to raise \$316,575 over seven years, 2016–2022, to support five church planters and incorporate development projects with each of their congregations.

SUMMARY

The European Baptist Federation (EBF) Mission Partnerships is a cooperative initiative to assist indigenous leaders in starting new Baptist churches in Eastern Europe, the Middle East and in Central Asia.

DESCRIPTION

There is an urgent need for Baptist faith and witness in former Soviet communist states. The ministry of Baptist congregations helps to overcome misconceptions and improve the status of Baptists within the wider society.

The purpose of the project is to provide salaries for the church planters and their families, and to assist with making the congregations financially viable for ongoing pastoral and ministry support.

This project will be managed by the Rev. Daniel Trusiewicz, partnerships coordinator for the EBF

SUGGESTED GIFTS

\$100 provides transportation for a month for a church planter

\$250 will pay for one month of food for a church planter and family

\$500 will pay one month's salary for a church planter

PRAYER REQUESTS

Pray for the people in Europe, the Middle East and Central Asia for successfully church growth.
