India Mission Summit Update in Chinese

BEN CHAN

We have posted a journal of the India Mission Summit (<http://internationalministries.org/read/55782-india-mission-summit-kicks-off-with-press-conference>) and a related three minutes video (<http://internationalministries.org/read/56683-india-mission-summit-2014-highlights>) in the International Ministries (IM) website. After the Summit, IM also published a special article featuring the Summit in its On Location magazine Autumn 2014 issue (click to read: http://issuu.com/benjaminchan23/docs/india_mission_summit_in_on_location.)

The Chinese Christian Church and Center in Philadelphia translated the article into Chinese, and included it in its quarterly newsletter “The Footprints.” I invite you to share this article with Chinese reading friends and churches to witness God’s amazing work in India. Special thanks to Mr. Stephen Choi, my Special Assistant for Chinese Mission Education, for his contribution to the translation work.
