India - New Building for the School of Nursing

SUPPORT RAISED

INDIA

GOAL

International Ministries is seeking to raise \$52,500 to construct a building for the new College of Nursing Bachelors program at the Satribari Christian Hospital in India.

SUMMARY

The School of Nursing, a ministry of the Satribari Christian Hospital, needs a new building for academic work and housing. With this improvement, the school can open a College of Nursing with a Bachelors program.

DESCRIPTION

The Satribari Christian Hospital's school of nursing is one of the oldest nursing schools in the North East Region of India. The school has a strong positive reputation due to its excellent quality of nursing education and consistent results, as well as its maintenance of high ethical and moral standards.

Your support will give 100 new nursing students each year access to a high-quality Christian education that will serve as a base for public health education outreach into the surrounding communities.

SUGGESTED GIFTS

\$100 covers 15 days pay for labor

\$250 pays for 120 truckloads of bricks

\$500 pays for 150 truckloads of construction stone

PRAYER REQUESTS

Please pray with Jean Mathew and K. Sushila as they take on this major project for those who will be attending nursing school at the Satribari Christian Hospital.
