

PRAY POSTED ON JULY 18, 2017

Pray for Terry and Tom Myers helping the Baptist Union of Bulgaria give holistic expression of the gospel

BOB SANTILLI

Tom works primarily in development and in job and small business creation, using these as a means to address the issues of poverty and trafficking. Tom is also involved in a business-as-mission project, which will support the ministry outreaches of Sofia Baptist Church, build connections with ministries working in community development around the world and provide a place for job training.

Terry's work includes managing a literacy program with Roma children, working with victims of human trafficking, coordinating the Union's partnership with American Baptist

International Ministries and providing support to short-term mission teams.

Prayer Requests:

- That the children from the literacy program will have a fun, safe summer and come back ready to start the new year in September.
- For the youth in the villages as it is difficult for them to remain in school. Pray they will continue with their education and finish high school.
- For the greenhouses, that the crops will be abundant and return a good price so there will be enough funds to purchase the necessary supplies and the program can continue in the upcoming years.
- For Coffeeology as we continue through the process of getting the finishing work done and the final permits.
- That just the right employees can be found who will serve the cafe well.
