"If salt has lost its saltiness, how can you season it? Have salt in yourselves..."

Mark 9:50

Jesus urged his disciples to live in ways that would bring light and flavor-enhancing seasoning to the whole world. But in order to serve as the light of the world and the salt of the earth (Matthew 5:13-16), we followers of Jesus need to continually seek more light and more saltiness.

One important way to become more savory is to gather together with others who can help to season us. That is just what we'll be doing at the [World Mission Conference](#) from July 4 to 7!

If you are not already committed to be somewhere else during those days, please join us at beautiful [Green Lake Conference Center](#) for a time of growing in Christ and encouraging one another in Christ's mission to the world.

I look forward to seeing you there!

Blessings,

Stan

P.S. No, I cannot promise that you'll see a beautiful hot air balloon over the greensward and marina... but you never know!!
