### **We are so very close to achieving our goal!**

In December 2018, a generous donor came forward and offered to match donations of up to \$100,000 to help purchase a building for NightLight and Song Sawang Church, two ministries of IM global servants Annie and Jeff Dieselberg.

Annie and Jeff, in collaboration with the development team, reached out to hundreds of IM donors. Thanks to their kindness and generosity, IM has reached the \$100,000 goal. When doubled by the gift, the \$100,000 rose to \$200,000.

Annie and Jeff are pleased, "We are so grateful to everyone who participated in this gift-doubling opportunity to bring us so close to having keys in hand. We are just short of our goal and we're hoping to close the purchase as soon as we reach 100%."

**\$21,548 is still needed to finalize the purchase. [Please give now.](#)**

NightLight International, led by Annie, provides dignifying employment to Thai women and job training to international women who are affected by sex trafficking or commercial sexual exploitation. Song Sawang Church (translated as "Shine the Light), pastored by Jeff, is a safe place for women to worship and to bring their friends and families to introduce them to the love of Christ.

By securing the full funding, NightLight can purchase the building it currently rents. Your gifts will make this possible and we invite you to share this opportunity with your friends and church family.

Annie and Jeff are excited to see how God is answering NightLight's prayers!
