White Cross – Congo Shipping

SUPPORT RAISED

DEMOCRATIC REPUBLIC OF THE CONGO

GOAL

This project seeks to offset the cost of a shipping container to Congo every 24 months.

SUMMARY

The cost of shipping supplies to the Democratic Republic of the Congo is quite high. IM seeks to offset these costs and continue to send the much appreciated bandages and handmade goods.

DESCRIPTION

Imagine the anticipation and excitement of the women in the Democratic Republic of the Congo (DRC) at the moment they open the container shipped from the U.S. to find dozens of cartons of roller bandages, baby blankets, baby gowns, surgical caps and so much more - handmade by their Baptist sisters in the U.S. You make this gift possible through your handwork and donations of supplies. Equally necessary are donations to pay the considerable cost of transporting these items from the U.S. to the DRC. White Cross handwork and supplies are shipped through the Brethren Service Center every two years. The shipping costs are quite high and IM requests cash contributions of \$0.75 per pound to offset the costs of packing, shipping and in-country fees. Please give as your heart leads, any amount will be of great help to get the supplies into the hands of the people at hospitals and clinics who are eagerly awaiting them.

SUGGESTED GIFTS

\$0.75 per pound or for whatever amount your heart leads you to give

PRAYER REQUESTS

Please pray for the safe and speedy shipment of much-needed White Cross supplies
Please pray for the hospitals and clinics who receive the supplies
