GLOBAL

GOAL

International Ministries seeks to raise \$40,000 through White Cross to improve basic education for children around the world

SUMMARY

This White Cross project seeks to raise \$40,000 to purchase and provide school supplies and educational materials to support a variety of educational programs around the world.

DESCRIPTION

“Let the word of Christ dwell in you richly as you teach and admonish one another with all wisdom.” Colossians 3:16

“If it is teaching, let him teach.” Romans 12:8

Jesus had a concern for others, encouraging and exhorting with a call to meaningful service. International Ministries provides education that reduces child labor, improves health and empowers local economies. Education enables people to read, make informed spiritual commitments and exercise leadership in their churches and communities.

This project will be managed by missionaries and partners in each country. It is anticipated that this project will improve the quality of life and expand the number of opportunities for individuals and families giving them a more stable economic future and more choices.
