White Cross – Lebanon Medical and Dental Care for Seminary Students

SUPPORT RAISED

LEBANON

GOAL

International Ministries seeks to raise \$5,000 through White Cross for the Arab Baptist Theological Seminary (ABTS)

SUMMARY

This White Cross project seeks to raise \$5,000 to provide medical care such as physicals, dental care and hospital visits for the 37 students at the Arab Baptist Theological Seminary (ABTS) in Lebanon. This care will also include the students' families during the academic year.

DESCRIPTION

The Arab Baptist Theological Seminary (ABTS) in Lebanon has been serving students from around the Arab world for over 50 years. It offers a unique Arabic-language curriculum tailored specifically for developing Christian leadership in the Arab world. Students at the ABTS come from Morocco, Algeria, Sudan, Egypt, Iraq, Syria, Lebanon and Armenia. They come to ABTS to become equipped for leadership in churches in the Arab world.

While providing holistic theological formation, ABTS believes it is equally important to provide for the physical needs of its international students, who come from nine countries. ABTS seeks to provide annual physicals, as well as dental care and hospital visits, for its 37 students and their families.

This project will be managed by Wissam al-Saliby, Partnerships manager of ABTS.

It is anticipated this project improve the health of the student body during the school year and, as a result, enable students to make the most of their preparation for serving the church of God.
