

# GOD IS DOING something *new.*

ISAIAH 43:19

**MEDICAL CARE FOR THE WHOLE PERSON**

**KATHERINE AND WAYNE NILES**  
DEMOCRATIC REPUBLIC OF THE CONGO

Katherine and Wayne have served God through International Ministries since 1990. First assigned to Haiti, they moved to the Democratic Republic of the Congo (where they both grew up as children of American Baptist missionaries) in 2004. Wayne works with IMA World Health assisting in the management of health, development, and relief projects. These projects strive to provide integrated, holistic, and sustainable interventions that increase access to quality health care for the most vulnerable.

Katherine is the medical coordinator for the network of Baptist hospitals staffed entirely by Congolese health professionals. She and her team accompany these hospitals in facing the challenges of providing quality Christ-centered health care to poor patients. The procurement and distribution of medical supplies and new hospital equipment, together with the installation of solar power and computerized hospital management systems, have a tremendously positive impact on patient care.

“The mission hospitals are about quality care and also about being salt and light in the midst of sickness and death,” Katherine explains. “What a difference that can make.”

## **PRAYER REQUESTS**

1. Pray for Katherine and Wayne as, together with colleagues in the DR Congo, they seek strategies for sustainable Christ-centered health care.
2. Pray for God to provide the medical professionals needed to further train Congolese doctors and nurses.
