STRENGTHENING THE CHURCH IN LATIN AMERICA

J.D. AND RHONDA REED

BOLIVIA

J.D. and Rhonda have served in Bolivia since July 2011. Rhonda is a nurse who oversees the Fundación Proyecto de Esperanza (FPE, previously House of Hope) in the cities of Cochabamba and Santa Cruz. FPE encompasses an array of health and development ministries led by local churches focusing on urban ministries to families and at-risk women and children. In 2019, eight hundred children and their families benefited from the ministry's mobile dental clinics, and four hundred from their mobile medical clinics.

As regional consultant for theological education throughout Iberoamerica and the Caribbean, J.D. coordinates the Master of Theological Studies Latino/a Ministries (MTS) program in partnership with Palmer Seminary. This unique program makes theological education accessible to pastors and ministry leaders by offering it online and in Spanish. Its students come from eleven countries throughout the Americas to receive vital ministry and spiritual formation training to prepare them for service in their local contexts.

PRAYER REQUESTS

1. Pray for guidance in the continuing realities of the pandemic and how it affects the foundation.
2. Pray for continued funding for the MTS program as it provides training for pastors and leaders in Latin America.
3. Pray for wisdom on the best ways to make the ministries self-sustainable.
